

AUGS/SUFU Fellow's Forum

The AUGS and SUFU leadership would like to invite all fellows to participate in the first Joint Fellows Forum to be held in Long Beach, California on Wednesday, September 29, 2010 from 7:30 am to 6 pm PT.

This forum will be an opportunity for Fellows from across the country from OBGYN- and Urology-based programs to meet one another, attend sessions and present their scientific work in a Fellows-only podium session. Attendance at the session will be limited to current Fellows in training and will be in a small group format. Fellows will present their work as in a podium session, which will be followed by moderated discussion among the other Fellows in their group.

To participate in the Fellows-only podium session, which will be a non-competitive atmosphere, Fellows must submit a written abstract for presentation at this Forum. Abstracts may be different from, or duplicates of those submitted to the AUGS Annual Scientific Meeting or recent SUFU meeting, and will be accepted to the Fellows Forum whether or not they are accepted for presentation at the regular AUGS meeting. Abstracts submissions will be accepted from June 17 – July 30, 2010 at www.augs.org/meeting.

Additional details about the agenda, instructions for abstract submission and registration information are all available on the AUGS Web site at www.augs.org/meeting or the SUFU Web site at www.sufuorg.com.

Travel grants will be available to all fellows who submit an abstract to participate in this program. The amount of the grant will range from \$250 to \$1,000.
