UROGENITAL RECONSTRUCTION

The Society of Urodynamics, Female Pelvic Medicine
and Urogenital Reconstruction

Announces

The SUFU Visiting Professorship

Sponsored By: The SUFU Foundation

This one-day visiting professorship will be offered to interested training programs and will consist of a lecture series from a member of the SUFU Executive Committee encompassing all aspects of FPMRS, Urodynamics, and Neurourology. There will be no cost to the home institution.

Topics will include:

Epidemiology and Pathophysiology of Prolapse and Incontinence
Urodynamics - The Basics and Beyond
Evaluation and Management of Stress Incontinence
Evaluation and Management of Pelvic Organ Prolapse
Evaluation and Management of Overactive Bladder
Third Line Therapies and Beyond for Overactive Bladder
Urethral Diverticula and Urinary Fistulae
Neurourology Update

Visiting Professorships to begin late 2016
